ACCIDENT INJURIES FATAL TO INFANT MICHAEL WERST

Michael Lee Werst, 18-month-old
son of Mr. and Mrs. James Lee
Werst, Jr., died in a Temple hospi-
tal Tuesday night at 8:05 o'clock
from injuries from being struck by
an automobile.

He was born Nov. 21, 1941, at
Taylor.

He is survived by his parents; one
sister, Eleanor Beth Werst; grand-
parents, Mr. and Mrs. C. A. Brad-
ford of Temple, and Mr. and Mrs.
James Lee Werst Sr. of Dallas.

Funeral services were held Thurs-
day.

Mr. and Mrs. Werst and daughter,
Beth, made their home in Hondo
several years ago when Mr. Werst
was an employee at the Anvil Herald
office. They went from here to
Taylor where Michael was born. Mr.
Werst has been working in San An-
gelo and was to have been joined by
his family in a few weeks when the
tragedy occurred. The many friends
of Mr. and Mrs. Werst in Hondo ex-
tend their deepest sympathy at their
great loss.

MASONS ELECT

At the regular meeting Monday
night, June 14, 1943, Hondo City
Lodge No. 756, Ancient, Free and
Accepted Masons, held its annual
election of officers.

The officers elected are:
Homer Wilson, W. M.
Will G. Muennink, S. W.
Olin E. Lucy, J. W.
Marvin F. Schweers, Secretary.
Elmer J. Leinweber, Treasurer.
Clarence Van Fleet, Tiler.

These with the various appointive
officers to be named will be duly in-
stalled to serve for the ensuing Ma-
sonic year at a meeting for that pur-
pose on the evening of Monday, June
24th.

The lodge is doing considerable de-
gree work at present, and members
of the order are always welcome at
any of the communications.

OFFICER, PRIVATE KILLED IN PLANE CRASH

An Army officer and enlisted man
were killed about 10 miles south of
the Hondo Army Air Field about
1:30 Monday afternoon, June 14,
when their single-engine training
plane hit a power line and crashed.

The dead were identified as 2nd
Lt. Richard S. McNamara Jr., 21,
Dallas, and Pvt. Don G. Dick-
son, 21, of Dilley, Texas.

An Army board of officers is in-
vestigating the crash, which hap-
pened on a routine training flight.

SEWER SYSTEM BEGUN

Mayor Horger Initiates work of Construction by
throwing the first spade of dirt at the Disposal
Site at 10:30 A. M. Thursday.

Foremen and laborers in the em-
ployment of English & Wilson, con-
tractors with the Federal Govern-
ment for the construction of Hondo's
sewer system, arrived on the scene
Wednesday of this week. Following
the throwing of the first shovel full
of dirt by his Honor, Mayor John A.
Horger, at the site of the disposal
plant on the Odom property south-
east of town at 10:30 A. M. Thurs-
day, the work of excavation was
formally begun.

Pressure of other matters prevent-
ed Messrs. English and Wilson from
being present at the inauguration of
the work, but present to do the hon-
ors to the Mayor and his party were:
Messrs. Robert H. Turk, Construc-
tion Foreman for English & Wilson;
J. C. Norby of the firm of Beaver &
Lodel, Consulting Engineers of San
Antonio, representing Julian Mont-
gomery, the Project Engineer, and

J. Nicols, Line Inspector on the con-
struction. These gentlemen took
pleasure in explaining many of the
details of the plans of the project
now definitely under way. Those in
charge of the work expect to have
an office opened soon in the Kollman
Building west of the courthouse and
will soon have a contact man on the
job to confer with and counsel prop-
erty owners whose premises will be
affected by the sewer system. In
this connection, it is our understand-
ing that the contractors will place
Y's for sewer connection later at
designated points for the conveni-
ence of property owners as the pipes
are being laid. Connections cannot
be made until the system is complet-
ed and accepted by the government,
but this preliminary precaution of
securing the proper Y-connection
while the line is under construction
will greatly facilitate and economize
the connection when made.

WEEK-END CAMP FOR CADETS LEASED AT MEDINA LAKE

A week-end recreation camp for
Hondo cadets has just been leased
for the summer, according to an-
nouncement by Lieutenant Colonel
G. B. Dany, post commander.

The camp is located on a bluff
overlooking Lake Medina and has
facilities for handling approximately
150 cadets each week-end.

The recreational camp consists of
seven buildings among which are in-
cluded a screened mess hall and re-
creation room. All sleeping quar-
ters are adequately screened. There
is a concrete tennis court in excel-
lent condition and a swimming pool
50x150 feet.

The work incident to converting
the camp into a week-end cadet re-
creation center has already been
started and it is thought that within
the next few weeks the camp will
be able to accommodate 300 cadets
each week-end. Transportation to and
from the recreation camp will be fur-

nished by post transportation.

Efforts have been started to se-
cure a considerable number of boats
for fishing and recreational pur-
poses. Fishing equipment will be
provided, but it will be necessary for
cadets to secure both a state and Me-
dina lake fishing license. Annual
state fishing license in Texas is \$1.10
and a season fishing license at Me-
dina lake is \$1.10. If a season license
for Medina Lake isn't desired, a 25-
cent per day license may be pur-
chased. The state license is required
only if artificial lures are used. Li-
censes can be secured at the recrea-
tion camp.

CHAMBER of
COMMERCE
COMMENTS

BY JOE LAW

Special mention this week goes to
the Medina County Red Cross Chap-
ter which now has a Visiting Nurse
Service primarily for families of mil-
itary personnel in Hondo. This ser-
vice was started on May 21. The
nurse who is a newcomer to Hondo
is Miss Grace McNutt. This much
needed service will do much to dem-
onstrate the value and importance of
a full time county health unit. For
example, during an 8 1/2 day period
a total of 20 cases were registered
and over 31 home visits were made.
All of the cases being served have
been referred by physicians. The
present housing problem creates sit-
uations that probably never would
exist.

One case in particular brought
the nurse into a home of a young
mother with her second baby. When
she was told about this service a hap-
py expression spread across her face
and with tears in her eyes, she turned
to her little boy and said, "We
thought we were all alone with dad-
dy gone and we now have the Red
Cross." Her husband is a service
man.

The work is carried on with close
co-operation with local physicians of
Hondo and those of the Army Post.

The public cannot help observe
how the local cafe owners are co-
operating with the City and Chamber
of Commerce efforts to improve san-
itary conditions in the City. Several
have not only gone to a great deal
of expense to follow suggestions
made by State and Army inspectors
but are co-operating with the Health
and Sanitation program now under
way under the direction of the
Chamber of Commerce. E. T. Sta-
ton is chairman of this committee.

A series of meetings are being held
during the month each month show-
ing employees why certain health
measures are important when serv-
ing the trade. These lectures, de-
monstrations and explanations of san-
itary codes and measures.

Hondo was in the national lime-
light this week. This time it is the
Saturday Evening Post. A featured
story about "Mascots" adopted by
the different aviation fields.

"Boomerang", the mascot of the ca-
det navigators of Hondo is photo-
graphed on the navigation instru-
ment or device with four cadets look-

ing on the photographs are all in
color and should attract nation wide
interest. Negotiations are now un-
der way to bring a motion picture
concern here to take pictures of the
Navigation Field and other points of
interest in the County. 50,000 de-
scriptive folders telling the story of
"Diversification in Medina County"
are about to go to press. These will
find their way all over the U. S.

Mayor John A. Horger turned over
the first spade of dirt of the City
Sewer Project Thursday morning at
the site of the disposition plant. He
was assisted by R. C. Rath, President
of the Hondo Chamber of Commerce,
and other City Councilmen and mem-
bers of the Chamber of Commerce
board of directors. This marks the
first big construction job of build-
ing a greater Hondo. The work
started in earnest Thursday and citi-
zens of Hondo will rejoice and view
the operations with pride.

The Devine Chamber of Commerce
and the Natalia Lions Club have ex-
tended an invitation to the Hondo
Chamber of Commerce to participate
in a tri-town meeting for the pur-
pose of discussing county co-opera-
tion and to hear the plans of the
proposed Medina County Board of
Development now in the process of
organization. Several other meet-
ings are being arranged at Yancey
and D'Hanis. The dates are to be
announced.

It will be a big day for the Boy
Scouts when the Lions Club will hold
its first annual model plane contest
at the Hondo Navigation School
field Sunday afternoon at 2:20 P.
M. The event is open to the public
and those attending will probably
see plenty of thrills and some
crashes. Cadets will help with
events and will probably be on hand
to give the boys some last minute
pointers.

The Scouts will compete for two
capital prizes—one week of camping
at the Boy Scout Camp with all ex-
penses paid. Don't miss it. If you
live in Hondo and have not seen the
Hondo Navigation School field here
is your chance. The event will take
place at the baseball field. Lion Bill
Windrow will be in charge of the
emergency-crash squad car.

The Chamber of Commerce which
has been registering houses and
apartments for the S. A. Rent Area
OPA office urges those who have not
registered this date to come in and
register their places. There are still
many places who have not register-
ed. No charge is made for this ser-
vice. If you rent or lease property
in this county you must be register-
ed.

HONORED GRADUATE

MISS ODILIA QUINTANILLA,

daughter of Mr. and Mrs. Ponciano
Quintanilla of Hondo, is the first
Latin-American girl to graduate
from Hondo High School. She re-
ceived her diploma at the Commence-
ment exercises on May 28th and was
honored with several parties and pic-
nics given by her friends. She takes
this means of thanking everybody
who sent her gifts and congratula-
tions.

QUIHI LADIES' AID MEETS

In the usual way, with hymn and
scripture lesson and prayer said Aid
assembled at the Parish Hall. A
brief memorial service had been ar-
ranged for Mrs. Luebbe Boehle who
was called home so suddenly. She
had been a member of our organiza-
tion for many years and her hearty
co-operation was an incentive and
example for many others. A mem-
orial wreath is to be provided as a
silent reminder for love's labor well
done. A fair amount was also set
aside for the budget of World Ac-
tion, chiefly concerned with the ser-
vice centers for the men in arms. A
fair share was voted for the cleaning
of the church premises. The pastor
enlarged on The Married Life of
Phil. Melancthon, Luther's great as-
sociate. The hostesses for August
were appointed by the secretary,
Mrs. Earl Balzen and Mrs. Clarence
Dailey. The luncheon was presided
over by Mrs. Louis Schweers and
Mrs. Emil Saathoff. For guests we
welcomed the Misses Mary Ann
Boehle and Helen Boehle. Present
were the following ladies, Mrs. Ar-
nold Balzen, Mrs. Alfred Boehle,
Mrs. H. J. Boehle, Mrs. John G.
Bohlen, Mrs. Clarence Dailey, Mrs.
Harm Gerdes, Mrs. Joe Horn, Mrs.
D. G. Reitzer, Mrs. Emil Saathoff
and Mrs. Louis Schweers.

HEICKMAN-SAATHOFF
NUPTIALS

The home of Rev. J. E. MacNamee,
San Antonio, was the scene of the
twilight wedding of Miss Grace
Saathoff, daughter of Mr. and Mrs.
Henry L. Saathoff of San Antonio,
and Fred Heickman, son of Mr. and
Mrs. John Heickman of Hondo, June
1st.

The Rev. J. E. MacNamee, assist-
ant pastor of the Riverside Baptist
Church, officiated at the ceremony.

Mrs. Roland Saathoff, sister-in-
law of the bride, was her only at-
tendant. Mr. Roland Saathoff was
best man.

The bride wore a frock of dusty
blue with white accessories and a
corsage of peach gladioli. Her at-
tendants' frock was sky blue with
which she wore white accessories and
a corsage of pink gladioli.

Following the ceremony the couple
left on a short trip after which they
will be at home in the Elgin Stiegler
residence near Hondo.

VETERAN OF SOLOMONS HOME
ON FURLOUGH

Jerome Finger, a member of
Uncle Sam's fighting Marines, is at
home on a 30-day furlough, visiting
his parents, Mr. and Mrs. J. M. Finger
and family. He is recuperating
from a protracted attack of malaria
contracted when in the fighting zone
of the South Pacific Islands. Other
details were not available at this time
as members of the family are out of
town.

THE LOW DOWN FROM
HICKORY GROVE

I see where the boys down at
Hot Springs, there in the old
Soreback state, are putting on
the ~~big~~. Are they exclusive?
Pardner! They are living high
—and unbothered. No common
person can barge in and listen
or get any idea of what is cook-
ing. A common person, he is to
keep his distance—just so he
don't get beyond the tax collec-
tor's jurisdiction. Somebody
has to pay for the affair. And
you take just liquor—our U. S.
A. State Dept., the paper says,
asked Virginia to lift the lid
and let in another 2400 bottles.
Every person attending had al-
ready been permitted to bring in
4 quarts on the hip.

The affair is billed as a "food
conference." She looks like
somebody slipped, and misnam-
ed the meeting. But it is our
own U. S. A. Govt. putting on
the show. Sambo is sure show-
ing off. Old Belshazzar couldn't
have done better.

ANVIL HERALD HAS DISTIN-
GUISHED VISITORS

Hon. H. P. Hornby, Customs Col-
lector for this Federal District for
the means of a livelihood which the
job affords and editor of the Uvalde
Leader-News for the fun it affords
him, passed through Hondo Tuesday.

While here, he took advantage of
the bus stop to run in on us and
shake hands with a working man.
Hornby still isn't afraid to get print-
er's ink on his hands. He had just
returned from a big dedication cele-
bration at Laredo.

We had scarcely gotten over the
flutter of receiving such a visit when
in walked W. B. Roberts of the Tex-
as Type Founders of San Antonio
and our long-time friend, T. A.
Buckner of San Marcos. As usual
"Shorty" convinced us that we need-
ed to buy something from him be-
fore he left—and we did.

Mr. Buckner, who has owned var-
ious and sundry newspapers, inform-
ed us that he has purchased the Sabi-
nal Sentinel plant, but seemed un-
decided as to whether he would dis-
mantle it or revive the paper. Out
of remembrance of Hal Sevier and
Harold Baldwin the people of Sabi-
nal should insist that the Sentinel
carry on.

NO MAGIC IN BUREAUCRACY

New frontiers of accomplishment
that promise not only better living
for us, but for the peoples of the
world, are seen for the future by
Robert P. Barbour, president of the
National Board of Fire Underwriters,
if opportunity and rewards are not
denied and "if government keeps its
hands out of business and industrial
enterprise that can be handled cap-
ably by private citizens."

Speaking at the Board's 77th an-
nual meeting, Mr. Barbour called at-
tention to warnings by Congress-
ional leaders of the dangerous expan-
sion of government by bureaucratic
edict and directive, and said: "Only
an informed and vocal public can
kill this unhealthy growth, which, in
so many countries of the world, has
made the individual little more than
a cipher. Let no one believe any
government has magic enough to
give something for nothing."

Mr. Barbour cited a world trend
to minimize the importance of the
individual and to magnify the im-
portance of the state, with resulting
loss of

Sometimes when you've a long distance call to a

"Please limit your call to five minutes. Others are

This doesn't happen all the time, because many long

Mr. and Mrs. Willie Boehle were
pleasant callers at this office Wed-
nesday. They have two sons in the
service of their country. Clarence
W., who is with the Civilian Techni-
cal Detachment somewhere in Eng-
land, and Col. Aaron Boehle, of the
U. S. Cavalry, who has been trans-
ferred back to Fort Riley, Kansas,
after being stationed in Washington.
Mr. and Mrs. Boehle have been send-
ing the home paper to their son in
England for some time and he writes
that those who enjoy reading it in
addition to himself are Charlie G.
Liam, son of Mrs. T. V. Gilliam of
Hondo, and Willie Wimmers, son of
Mr. and Mrs. Ben Wimmers of Ban-
dera. The three men left Duncan
Field together for service overseas
as civilian workers.

Mrs. J. Garrison presented her
daughter, Mrs. Miller Stewart, of
Houston, in a book review at 3:30
o'clock Friday afternoon at her
home. Mrs. Stewart, whose reviews
are much in demand in Houston
where she is a librarian, narrated
the story of William Saroyan's popu-
lar book, "The Human Comedy".
Following the presentation refresh-
ments of ice cream and cake were
served to about twenty guests. Sun-
day evening the congregation of the
Methodist Church was privileged to
hear the review at the evening ser-
vices. Mrs. Stewart, who with her
daughter, Dorothy, has been visiting
her parents, Mr. and Mrs. J. Garri-
son, returned to Houston Monday.

Of interest to their former parish-
ioners is the announcement of the
following clergy appointments in the
San Antonio Archdiocese: Rev.
James M. Marsollier, pastor of Ples-
sured Sacrament Church, Peth, retired
(pastor emeritus); Rev. Paul J. Pot-
gens, pastor of St. Agnes Church,
San Antonio, new appointment as
pastor of St. Mary's Church, Lock-
hart. Two young priests, natives of
Medina County, have received the
following appointments: Rev. Gerald
Boehme, (Castroville), assistant at
St. Mary's Church, Fredericksburg;
to St. Joseph's, Yoakum, as assistant;
Rev. Paul Ehlinger, (Devine), as-
sistant, St. Cecilia's, San Antonio.

The editor is in receipt of a let-
ter from Robert S. Weynand, form-
erly of San Antonio but now in the
United States Naval Reserve station-
ed at Camp Peary, Williamsburg,
Virginia. He wrote: "Am enclosing
a copy of 'Beelines', publication of
the Navy's Seabees. Am here for 8
weeks training for Petty officers.
Had the pleasure of helping induct
a Hondo man today, Mr. James
Bailey. Texas is well represented
here. Any news from Hondo will be
appreciated." James Bailey, son of
Mr. and Mrs. Raymond Bailey, of
Hondo enlisted for special duty in
the Naval Construction Battalion,
known as the Seabees.

Lt. and Mrs. C. I. Schuehle of
Waco announce the birth of an 8-lb.
son, John Ralph Schuehle, on May
27, 1943, at Hueston Memorial Hos-
pital, Waco. The baby has been
named John after his father and his
grandfather, Charles John Schuehle
Junior and Senior, of Hondo, and
his paternal great grandfather, the
late John Ney of D'Hanis. Ralph is
also the name of his maternal grand-
father, Ralph McLaughlin, of Hous-
ton. Mrs. Schuehle will be remem-
bered as the former Roslyn Mc-
Laughlin.

of the week Lt. McDowell's brother,
Ward McDowell, of the U. S. Marine
Corps, who is at home on a 30-day
furlough. He saw active service in
Guadalcanal and spent one month in
New Zealand recovering from an
indisposition before coming home.

Sgt. W. J. (Jake) Weynand, home
at D'Hanis on furlough, was a wel-
come caller at this office Saturday.
Sgt. Weynand has been in the Army

**USO CELEBRATES LARGEST
MONTH IN MAY**

Statistics just compiled show that
the local USO Club reached its peak
in attendance during the month of
May with a total of better than
62,000 coming into the Club. Among
the many different services offered
the boys, the shower rooms were
probably as welcome as any, as over
700 men used them during the
month. This will give you a fair
idea of what your Club is doing for
the members of the armed forces.
If you have not volunteered your ser-
vice, now is the time to come down
and register. It is a splendid effort,
one you will enjoy and one that
needs your assistance greatly.

MISS ALLEN ON VACATION

The staff, volunteers, and many
of the men in the armed forces keep
looking for that contagious smile of
Miss Louise Allen, genial YWCA rep-
resentative and Associate Director
of the Club who is now on a well
earned vacation at her home in To-
peka, Kansas, and will return June
28th. Hondo is to be considered
very fortunate in having such a ca-
pable, willing and gracious worker
in the person of Miss Allen, which
of course, casts no reflection on
the energetic and pleasing personali-
ty of Mrs. Victor K. Meeker who is
doing an excellent job of substituting
while Miss Allen is away. Mrs.
Meeker's husband is Cadet V. K.
Meeker stationed at the Navigation
School.

Augmentation of the powerful Of-
fice of War Mobilization is regarded
as a belated move to abate the
storm of Congressional criti-
cism over the conduct of the war
program on the home front.
—WSS—
Under the new Presidential orders
of F. Byrnes, as OWM Director,
have top authority over the en-
tire home front effort including the
mobilization of natural and indus-
trial resources, civilian manpower,
economic stabilization.
—WSS—
The words of the Chief Execu-
tive, the OWM was created to "unify
and closely the work of the war
agencies concerned with the produc-
tion, procurement, transportation,
distribution of military and civil-
ian supplies, materials, and prod-
ucts."
—WSS—
With sweeping powers and full re-
sponsibility for what he, himself de-
fines as "the direction of the home
war effort and essential civil-
ian supply," Mr. Byrnes is subject
to the control of the President.
—WSS—
While the actual execution of
programs will be left to a great ex-
tent to the numerous government
agencies and departments involved,
Mr. Byrnes, according to Director Byrnes,
will develop and execute programs
to determine policies.
—WSS—
Advocating the roll-back of prices
on most-of-living commodities through
subsidies to producers and process-
ing, OPA Administrator Brown has
strong Congressional opposition.
To complicate the subsidy ques-
tion, War Food Administrator Ches-
ter Davis has told a Senate Agricul-
ture Subcommittee that price control
subsidy would be dangerous and
likely would not work. Moreover
Congressmen have warned Secretary
Commerce Jesse Jones that the
growing power of RFC will not be
sufficient to maintain OPA price ceil-
ings.
—WSS—
Declaring that manufacturers
should be protected from "left wing"
and other groups opposed to the
enterprise system, Representative
Charles Halleck of Indiana, mem-
ber of a resolution to investigate
plans of various government
agencies to force changes in brand
names, trade marks, grade labelling,
and to establish simplification and
standardization programs, said that
a hearing before the Subcommittee
will show that if goods must be
made to government standards, the
penalties will be taken away."
—WSS—
Sounding the keynote of the "in-
dustrial forum" which is conducting
investigations, Chairman Lyle
Allen, of Oklahoma said, "Every
national crisis is exploited by
those who wish to put into effect
reforms or projects for which
they cannot secure the requisite sup-
port in normal times. Too often,
the statement is made that
nothing is being done because of
the war, it is hoped that questions
will be discouraged and criticism si-
lenced. This is not the way for
democracy to carry on war."

LIVESTOCK MARKET REPORT
San Antonio, June 15: HOGS: Es-
timated salable and total receipts
of swine trade at San Antonio
today developed on an uneven 10-
cent lower basis as compared with
last week Friday. Early trade re-
sulted a \$14.00 top for Good and
choice 180-270 lbs. butchers but later
was dropped back to \$13.75 for
similar grades and weights. Good
choice 160-180 lbs. ranged from
\$12.25-13.75, few 180 lbs. early to
\$12.50. Light lights averaging 140-
150 lbs. cleared \$13.00-13.25 with
the 160 lb. kinds to \$13.50. Top
sows averaging 400 lbs. and
later made \$12.75-13.00. Feeder
pigs, under fairly broad demands,
generally steady at \$12.50-
\$13.00, few \$13.25. Common and
medium 50 lb. replacements dropped
to \$10.50.
CATTLE: Estimated salable and
total receipts 800. CALVES 1000.
Moderate to light cattle and calf
supplies proved to be an important fac-
tor in the Monday trade. Major
buyers attempted reduced costs but
due to the presence of numerous
small butcher orders all classes work-
ed out steady to weak, but mostly
steady. Stocker calves also carried
weaker undertone but meager sup-
plies sold about steady.

ICARUS SINKS GERMAN SUBMARINE

WASHINGTON, D.C.—U.S. Navy Official Photo—The Coast Guard Cutter Icarus sank a German submarine off the Carolina Coast some months ago and took 33 prisoners. Ignoring the photographer, the German submarine executive officer (center) and a British officer, Lt. Comdr. Patrick W. Stone, R.N. (now Commander) continue their conversation. Left to right at the Navy Yard's barracks in Charleston are: Lt. Comdr. Frank P. Morton USNR; Kapitän Leutnant Hellmut Rathke, Commander of the German submarine; executive officer of the sub (name not given); Lieut. Comdr. P. W. Stone, R.N.; and Comdr. Sidney W. Souers, USNR.

A WEEK OF THE WAR

The surrender of Pantelleria, after 20 days of intense bombardment, was announced in a special commu-
niqué from General Eisenhower's head-
quarters. The announcement came
suddenly, less than an hour after
the day's regular operational com-
munique had merely reported con-
tinued heavy attacks on the island
throughout yesterday and the pre-
vious night.

Surrender of Pantelleria gives the
Allies an airdrome and naval base
only 60 miles southwest of Sicily.
The encirclement of Lampedusa,
second largest of the stepping-stone
islands in the Sicilian Narrows,
would give the Allies another valu-
able base, just 90 miles southeast
of Pantelleria and 110 miles west
of Malta. (British naval forces land-
ed a reconnaissance party on Lam-
pedusa on June 6, and all but two of
the party returned safely.)
Forced by Air Power
The communique reporting the
fall of Pantelleria said the surrender
was the result of a prelude of "con-
tinuous and intense air bombard-
ment, supported by naval bombard-
ment."

It was an unprecedented capitula-
tion, brought about almost solely
by air power. The British Navy
shelled the island six times, but the
greater part of the attack was car-
ried on by American and RAF
planes of all types—wave after wave
of bombers heaping fire and destruc-
tion on the smoking ruins of pre-
vious bombings. In the last phase
of the onslaught, the island was under
constant, unremitting attack, and
37 Axis planes were knocked down
in the final air battle.
Allied pamphlets dropped on Pan-
telleria Tuesday (June 8) warned
that the island would be bombed,
shelled and blockaded until it sur-
rendered. When the Italian garr-
ison made no reply, Allied planes in-
flicted on the island the severest
kind of aerial and naval bombard-
ment. Secretary of War Stimson
announced that the Axis rejection
of the chance to surrender meant
the bombing would continue.
The surrender of Pantelleria came
at 11:40 a. m. (6:10 a. m. CWT),
when the Axis garrison ran up a

white flag and placed a white cross
on the airfield. Shortly after noon,
American Flying Fortresses marked
the victory with a big parade through
the air over advanced Allied air
force headquarters—an impressive
display of the growing Allied aerial
strength.
The message from General Eisen-
hower was received by President
Roosevelt early Friday morning—a
good piece of news, the President
said. Shortly afterward, he told a
press conference that he had no de-
tails on the island's surrender ex-
cept that the reason was that the
Italian defenders did not have
enough water to sustain them.
Striking on Many Fronts
Even as the Northwest African
air forces were concentrating on
Pantelleria, American four-engined
bombers of the Middle Eastern Com-
mand raided the Gervine and Can-
tania airdromes in Sicily, thus car-
rying forward the campaign to cut
down Axis air strength in prepara-
tion for possible large-scale amphib-
ious operations.
Secretary of War Stimson, em-
phasizing that American Air Forces
are striking with increasing vigor
and effectiveness on widely scat-
tered world fronts, said that while
American and British planes con-
tinue to hammer the Mediterranean
Islands of Sicily and Sardinia, as
well as the Italian mainland, the
weather in Britain has interfered
with bombing raids in recent days.
Over Europe a great quiet prevail-
ed—the longest interruption in the
night air offensive against Germany
since the 24-night lull that preceded
the Allied landings in North Africa.
Maj. Gen. Ira C. Eaker, head of
the American Air Forces in the
European theater, said the USAAF
in Britain has doubled since March
and will be doubled again by Sep-
tember. By the end of the sum-
mer, said Gen. Eaker, the USAAF,
increasing 15 to 30 per cent month-
ly, will be carrying its full share of
the bombing offensive against the
Axis.
The increase in American planes
is in both bombers and fighters, he
said, with a preponderance of bomb-
ers, both heavy and medium.

AMERICAN HEROES
BY LEFF

Three Japs killed with one bullet was the score of Marine Pfc. Nicholas Sileo while defending a small village somewhere in the South Pacific. Sileo dropped the trio as they approached Indian file and then bagged two more before the swarming little men's rifle fire put him out of commission and he had to be hospitalized. Our boys are making the best use of the ammunition which you help buy when you invest in War Bonds. Help pass them more of it.

**1943-44 EDITION OF TEXAS
ALMANAC FOR SALE**

Great economic and social changes
are revealed in data presented by the
1943-1944 edition of the Texas Al-
manac, which has just been published
by The Dallas Morning News. Ap-
proximately 400,000 rural Texans
have shifted to urban residence and
vocation since the census of 1940.
For the first time in the history of
the state, the majority of the popu-
lation is now urban, according to
information in the new volume.
More remarkable, relative, has been
the industrial expansion due to the
founding of munitions, rubber, ship-
building, aviation and other war in-
dustries. Texas' manufacturing out-
put has expanded as much during
the last three years as in all preced-
ing history.

Mineral production has also been
greatly stimulated. Last official
figure on value of all minerals pro-
duced was \$954,211,150 in 1941,
placing Texas far ahead of any other
state. On basis of partial reports,
the Texas Almanac estimates total
value of minerals produced in 1942
was more than one billion dollars.
While petroleum, natural gas and
natural gasoline counted for most of
the production, Texas would rank
high among the states without the
oil group. During the last two years,
there has been rapid increase in the
number of minerals produced in Tex-
as, and in 1942 there was commercial
output of more than sixty different
kinds.

Next to the greatly increased man-
ufacturing and mining production,
military activity has had the most
notable effect on recent Texas de-
velopments. While reasons of mili-
tary secret prevent release of some
information, the new Texas Almanac
lists twenty-two major Army camps,
in addition to which there are more
than fifty Army aviation fields. At
San Antonio and Corpus Christi, the
Army and Navy have, respectively,
their greatest air training centers.

While the chapters on military
activities and industrial expansion
are the principal items of current in-
terest, the new Texas Almanac is es-
sentially the all-round reference
book that it has been, ranging
through the whole field of Texas'
historical, civic and economic data.
The date of the battle of the Alamo,
the cotton production of Jones Coun-
ty, the number of deer killed in Tex-
as in 1942 and thousands of other
classes of information in as widely
diversified field can be found on its
pages.

The Texas Almanac is a biennial
publication, and the new volume is
for the two years, 1943 and 1944. It
is bound in paper at 60c on news-
stands, 75c by mail; also in cloth at
newsstands and \$1.15 by mail.

Your orders will be received at and
forwarded from this office for either
binding at the mail-order price. If
you prefer, send \$1.10 for the paper
bound or \$1.45 for the cloth-bound
and receive Farming two years, new
or renewal.

**FR. EHLINGER ASSUMES POST
AS WELFARE BUREAU
DIRECTOR**

The Rev. Paul J. Ehlinger return-
ed to San Antonio last week to as-
sume the position of director of the
Catholic Welfare bureau following
the completion of a two year course
in the graduate school of social ser-
vice, Catholic University of Ameri-
ca. He received a Master of
Science degree in social work in
commencement exercises in Wash-
ington, D. C. In addition to his
duties as director of the Welfare bu-
reau, Father Ehlinger will serve as
director of the Confraternity of
Christian Doctrine and assistant to
the Rev. G. P. Staff in St. Cecilia's
parish.

Father Ehlinger was born in San
Antonio, April 2, 1914, the son of
Mr. and Mrs. Paul J. Ehlinger. He
was reared in Devine where he at-
tended St. Joseph's parochial school.
He took his complete course of
studies for the priesthood in St.
John's seminary and was ordained

YANCEY

Mr. and Mrs. Lawrence Wilson
and little son are here on his fur-
lough. They dedicated the child in
holy baptism on June 6th. The name
given was Jerry Gordon.

Mr. and Mrs. Ray Ward are at
home. Mr. Ward has been in the
service for several months and was
at home on furlough several weeks
ago, and was discharged from ser-
vice to come back to his farm and
also to conduct his mother's interests
in farming and stock raising.

Relatives of the late Mrs. J. W.
McCaughan received a message Sat-
urday that her brother, Anthony
Williams of Ballinger, had passed
away; death caused from a heart
attack.

Mrs. Henry Grunewald enjoyed a
two weeks' visit from her daughter,
Miss Ethel, of San Marcos, and ac-
companied her back to San Marcos
last Friday. Miss Elva Martin and
Vernon Grunewald were also includ-
ed in the party.

Several times during the day, we
had showers of rain Sunday. We
have had fine rains for crops re-
cently but beginning soon will be
the harvesting of broom corn, which
is about ready, and farmers are hop-
ing for dry weather.

Miss Alice Hardt is visiting her
brother, A. J. Hardt, and family. She
has been away for a considerable
length of time doing work for the
government. She attended services
at the Methodist Church.

Mrs. Anna Muennink and daugh-
ter visited relatives here Sunday, af-
ter attending church services.

Mesdames J. J. Tulloch, J. N. Wil-
son and W. T. McCaugherty enjoy-
ed a visit from Mrs. Cavin Newton
during the week-end. Mrs. Newton's
home is in West, Texas.

Mr. Alfred Wiemers and family
were shopping in San Antonio Fri-
day.

After visiting her daughters in
Hondo for several days last week,
Mrs. Burgin went to San Antonio to
consult her former physician, Dr.
Leopold. She was accompanied by
her son, W. N. Burgin, of Hondo.

Mrs. E. E. Wilson and son, Sam,
were at the Medina Hospital the
early part of last week.

Prohibition

They're at it again in America,
and even as in the days of World
War I we may yet hear that Ameri-
ca is Dry.

Most of us in the U. S. armed
forces could not be classed as vio-
lently opposed to liquor control for
most of us believe in moderation.
On the other hand, there are few
of us who could be included in the
group of Americans who felt "the
noble experiment" was a huge suc-
cess.

It is with alarm therefore that
we learn of the growing political
strength of the anti-liquor crowd in
the United States.

Taking advantage of wartime
conditions and restrictions the new
prohibition group is working night
and day for legislation which will
give America prohibition in fact if
not in name. Using the tactics of
the Farm Block, the anti-liquor
crowd is tacking on amendments
to practically every military appro-
priations measure in a desperate
effort to secure prohibition or the
nearest thing to it they can force
through Congress.

Rationing is playing into their
hands and gives them a good ex-
cuse, and no opportunity is missed
to use this excuse in their effort to
limit the production and distribu-
tion of liquor of all types.

We can remember the days of
prohibition, when moonshine whis-
ky made quick fortunes for boot-
leggers, crooked politicians and dis-
honest police officials. As a result
we claim we know what we want
in the way of liquor legislation and
feel those at home should wait until
we return before initiating further
legislation on liquor control.

LA COSTE LEDGERETS

The LaCoste Ledger.

Seaman Third Class David Ram-bow is the son of Mr. and Mrs. Henry M. Rambow of Briton, Michigan, and the brother of Mrs. Claud B. Cowen of LaCoste. David enlisted in the Navy on March 1, 1942. He was stationed in San Diego, Calif., only three weeks when he was sent to the Naval Receiving Station in Pearl Harbor. He spent just two days in Pearl Harbor before he went to sea. During a short leave given David on March 12, 1943, Mrs. Cowen went as far as Denver, Colorado, where she met him and so had more time with him than if he had come all the way home. Before his enlistment David lived in LaCoste. He is now a Shipfitter third class.

Aviation Cadet Leonard "Yake" Adam surprised his parents, Mr. and Mrs. Joe Adam of LaCoste, last Thursday when he arrived home from Luke Field, Phoenix, Arizona, for a ten day furlough.

Word has been received that Clovis Schweers has been promoted to Seaman Second Class. His parents are Mr. and Mrs. John Schweers of Bader Settlement.

Private Paul Kriewald spent the week-end with his parents, Mr. and Mrs. A. L. Kriewald of LaCoste. Paul is in the U. S. Army Air Corps and is stationed at Kelly Field.

Private Claude Salzman visited with his parents, Mr. and Mrs. Louis Salzman of LaCoste, over the week-end. Claude is stationed at Kelly Field.

It's Chief Petty Officer now for Claude J. Tondre of the United States Navy. Claude received his promotion last week and Mrs. Tondre, who has been visiting her husband for several weeks, was present to help him celebrate the occasion. He is a Shipfitter in Uncle Sam's Navy. Claude is the son of Mrs. Jos. L. Tondre of Castroville.

Corporal Edgar Kempf arrived home Tuesday for a seven day visit with his wife, Mrs. Edgar Kempf and baby daughter here. He is stationed at the Army Air Base in Pueblo, Colorado.

Word has been received recently that Private First Class Max A. Bush is now in Africa. Max is with the U. S. Army.

Mr. and Mrs. A. W. Trip of Mac-dona were pleased to hear that their son, Harold, was recently promoted to Petty Officer Second Class. Harold is stationed at the Coast Guard Patrol Base in Fernandina, Florida.

Mr. and Mrs. O. W. Huegele from Rio Medina have received word from their son, Lieutenant Vinson S. Huegele, that he is back in the states after being stationed somewhere in Canada for some time. At present he is in Presque Isle, Maine.

A. E. Karm received word Tuesday that his son, Staff Sgt. Joe E. Karm, has sailed for overseas. For the past six months he has been stationed in Savannah, Georgia.

Francis L. Biediger, son of Mr. and Mrs. J. C. Biediger of LaCoste, was recently promoted to Seaman Second Class. Francis received his school draft on June 4th and is now with the U. S. Naval Hospital Corps at San Diego, California.

Mr. and Mrs. S. A. Jungman from Hondo visited in the Alex Jungman home here Thursday.

Mr. and Mrs. Henry Zinsmeyer visited with Mr. and Mrs. F. R. Dury and family in San Antonio Friday.

Mrs. C. M. Huegele and son, Calvin, of Rio Medina spent the past week in Lockhart in the home of Mrs. Katie Hall.

Mr. and Mrs. R. J. Mangold and family visited with Mr. and Mrs. Wesley Hutzler and son, Gary, at Bader Settlement last Thursday.

Mr. and Mrs. Harold Nester of D'Hanis are the proud parents of a seven-pound baby girl born Sunday evening, June 6, in the Medina Hospital in Hondo.

Arnold Wurzbach and daughter-in-law, Mrs. Herbert Wurzbach, from Rio Medina were visitors here and at Hondo Wednesday.

Frank Mechele and daughter, Marietta, from Fredericksburg and Loretta Ruff of San Antonio are visiting with Mr. and Mrs. D. J. Christilles and family here.

Mr. and Mrs. O. W. Huegele had a letter from their daughter, Mrs. Marlin J. Krause, stating that she is now in San Francisco, California, to be with her husband, who was transferred there from Dallas.

Word has been received that Quintin Ahr was the victim of the measles recently, however, he has now fully recovered. He is a civilian worker at Station X and is the son of Mr. and Mrs. Julius Ahr of LaCoste.

Mrs. A. E. Jungman returned Sunday from Corpus Christi after a few days stay with Mr. and Mrs. Leonard Marty and children. Mr. Jungman was operated at the Spohn Hospital for appendicitis Friday.

Mr. and Mrs. W. A. Luckenbach and daughter, Mary Elizabeth, of Seguin spent Monday visiting in LaCoste. They were accompanied home by Mrs. Josephine Biediger who will visit for some time in the Luckenbach home in Seguin.

CONSERVE THE SOIL

The most important new year's resolution a farmer can make is to pledge himself to stop the rich soil of his farm from washing and blowing away. Such a resolution, says Paul G. Haines of the A. and M. College Extension Service staff, can be fulfilled by adopting conservation practices which will make the land more productive. He is the specialist in soil and water conservation.

Overgrazing, plowing up-and-down hill, and burning of grass and stalks are open invitations to water and wind erosion, Haines points out. Gullies and ditches tend to grow deeper on pastures which are grazed too closely, resulting in the washing of much good soil before a new growth of grass appears. Hillside fields, eroded beyond profitable cropping yet too steep to terrace, could be

made productive by sodding to Bermuda or some other adapted grass during January and February. Planting trees might perform an equal service.

Practice shows that there is less loss of soil and crop yields are increased when rows are run on the contour. Contouring gives the soil a chance to soak up water which will be needed later. "The water walks off the land instead of running as when rows run up and down a slope," Haines explains. "The farmer should do all those things necessary to slow the speed of free water. Fast running water causes the erosion. Make it walk slowly off the land."

Stalk burning robs the soil of needed humus, and burns drainage-ways, turnrows and along fences. Most harmful insects are not killed by such fires. They lay their eggs too deeply to be reached by fire. Burning pastures may bring some earlier tender grazing in the spring, but exposed to the rays of the sun, as it will be, it soon disappears and the total yield of grass will be greatly reduced. The after effect is more noxious weeds and increased erosion. Burning for five successive years will lessen the tonnage of grass by more than 50 per cent, the specialist says.

PREVENT "WEEDY CREAM" BY KEEPING COWS OFF INFESTED PASTURES

The season of "weedy cream" is about to stage its annual return engagement. Weedy cream results from milk tainted with objectionable odors because the cows are turned out on spring pasture infested with wild onions, leeks, garlic and similar noxious weeds. Because butter made from weedy cream is so offensive to the taste as to be almost unsalable, the farmer must expect to take a lower price on each such can of cream he delivers. There is no known way to completely remove weed flavors from cream either on the farm or at the creamery.

Most weeds are unpalatable, but they are often eaten by cattle when green and succulent and mixed in with grasses in the spring. Cattle will eat them when other grass is short and when not provided with enough other good feed. Wild onion and garlic are two of the first green things to appear in the spring and are particularly bothersome. Frenchweed (also sometimes called penny-cress, fanweed, or stinkweed), peppergrass, ragweed, mustard, rape and turnip must also be guarded against in various sections of the country because of their own characteristic objectionable flavors.

The safest way to prevent onion flavor in cream is to avoid pasturing dairy cows on pastures with an abundance of onion in the spring and to handle all pasture so as to give grasses an opportunity to grow by keeping cows off until after the grass has a good start. Heavy grass provides less opportunity for onions to get started. Tramping of the pastures early in the spring injures the grass and gives weeds a chance to compete more successfully. Mowing or pulling the first weeds to prevent seed formation helps eliminate spreading over clean areas.

On some farms pastures are divided into fields and rotated to get a more vigorous stand of grass and fewer weeds. Other farmers have found a solution by placing their milk cows on a clean pasture and running their other farm animals on the weedy pasture.

If only weedy pasture is available, the best plan is to keep milk cows off it for three to five hours before milking. Some farmers make it a practice to take their cows off weedy pasture at noon and again before retiring for the night, especially when the weeds are in their worst stage. The longer the interval between removing the cows from weedy pasture and milking, the less the intensity of the onion flavor. Another good way is to provide cows enough good foods so they will not be forced to eat weeds. A combination of these two methods works excellently. The herd is allowed on weedy pasture AFTER milking, but

is transferred to good clean pasture where they have access to other feed three to four hours BEFORE milking. If hay containing onions and similar weeds must be fed, this, too, is best done right AFTER milking.

And the writer could have added that another help would be to run a flock of sheep in the pasture along with the cattle. Sheep prefer weeds to grass and where not over-crowded improve the grass by reducing the weed growth where they graze.

THE OLD JUDGE SAYS...

"You were absolutely correct in making the statement you did, George...not a drop of whiskey has been distilled in this country since last Fall."

"That's what I told the boys down at the lodge, Judge, but they were so surprised I thought maybe I was wrong."

"No you weren't, George. The truth of the matter is that a year before Pearl Harbor, the beverage distilling industry voluntarily offered its facilities to the government. Many companies started to produce alcohol for war

purposes almost immediately. And just as soon as the government's requirements increased, the distilling facilities of the entire industry were converted 100% to the production of war-alcohol and nothing else. As a matter of fact, the beverage distilling industry is producing about half of the government's needs for this vital war material. And that's a 24 hour a day, 7 day a week job, George."

"I'm glad I told you about my talk with Sam, Judge. You've given me a lot more facts on that subject."

**THEATER GETS CURTAINS,
DRAPES, SPOTLIGHTS**

New equipment added this week and more expected soon is providing the Hondo field with one of the finest theaters found on Army posts.

Installed this week were a front traveler curtain, a valance and wing drapes, and a screen curtain for the stage, and drapes for the entrance and exits. Eighteen baby spotlights and border lights for the stage and several floodlights were received.

Rugs are expected soon for the aisles. It is planned to use small box lights to illuminate American flags on each side of the stage. An excellent public address system is being installed for use in USO-Camp Shows productions presented here and also for emergency announcements during movie showings. It will be possible to plug in up to six microphones.

Air-conditioning unit will be installed in the near future, according to Capt. C. A. Baril, special services officer.

With additional WAACs arriving from time to time, the women soldiers are now being assigned to various duties about the field, relieving a number of administrative men for vital duty elsewhere. Four WAACs were assigned to the theater.

Capt. Baril said work was still going on in planning for expanding the Service club restaurant section and lounge and reading-writing room.

He said Sunday afternoon dancing at the club was also planned. The club is proving a popular Sunday afternoon spot for enlisted men and cadets to entertain their guests and visitors.

**MUSICAL AT SERVICE CLUB
SLATED JUNE 22**

Two Service club entertainment staff artists, Cpl. Leon Goldstein, pianist, and Cpl. John E. Glasper, violinist, and a guest artist, Sgt. Nat White, flutist of the 324th AAF band, will be featured in a Service club musicale Tuesday, June 22, at 8:15 o'clock.

"Andante From Symphony No. 1" (Beethoven) and "Sonata in D Major" (W. F. Bach) will be presented by the trio.

Cpls. Goldstein and Glasper will be featured in the selections, "Malaguena" (Albeniz-Kreisler), "Melodie" (Tschaiikowsky), "Hungarian Dances No. 1" (Brahms), "Carmen Concert Fantasy" (Bizet-Sarasote).

Sgt. White and Cpl. Glasper will be featured in the numbers, "The Nightingale" (Don Jon), and "By the Brook" (Wetsger).

All personnel of the field are invited to attend the free concert.

**MOZART'S MUSIC FEATURED AT
NEXT POPS CONCERT**

Musical compositions of Mozart will be featured at the weekly "Pops" recorded concert in the post library next Wednesday night at 8:30 o'clock.

The all-Mozart program includes solos and duets from "Don Giovanni," featuring Elisabeth Rethberg and Ezio Pinza, and "Symphony No. 40 in G Minor" by Toscanini and the NBC symphony orchestra.

**ARMY FILM PICTURES FALL OF
SEVERAL NATIONS**

The third of a series of "Prelude to War" films was shown at the post theater this week in several showings for all military personnel.

Entitled, "Divide and Conquer," the picture revealed events leading up to and the actual invasion and conquest of Norway, the Lowlands and France. Costly mistakes of defensive tactics and poor strategy and lack of modern fighting equipment for blitz warfare were impressively pointed out, while just as clearly was shown the mechanized

**ENTERTAINMENT PEAK HIT
WITH "SWING'S THE THING"**

"Swing's The Thing," an all-col-
ored musical revue, brought to the
field by USO-Camp Shows, Inc., for
two performances Wednesday night
at the post theater, provided a new
high in entertainment here for the
military personnel.

The music of Al Sears and his
versatile bandmen held the large
audiences with orchestra straight and
novelty tunes and solo specialties,
with rhythmic hot and sweet swing
arrangements. Featured in the band
half of the show were Kenneth Pres-
ton, vocalist; Christopher Columbus,
drummer; Fats Green, saxophonist;
Ted Donnelly, trombonist, and Chico
Carroll, trumpeter.

Chuck and Chuckles, youthful
dance team, captured the crowd with
their fast-moving "Rhythm for Sale"
comedy tap routine. This juvenile
team has played many big theaters
and clubs in the country and appear-
ed with several big-name bands.

Three attractive girl dancers, The
Poms, rhythm tap and ruff
specialists, added their fresh routines
to the show. Blues singer Irene
Wiley helped round out the bill of
fare with her full arrangements of
old and new liting blues numbers
along with several other popular song
hits.

**WORLD-FAMOUS MAGICIAN TO
PERFORM JUNE 28**

A blue ribbon event in entertain-
ment will take place at the post the-
ater on Monday, June 28, when USO-
Camp Shows presents another of its
big shows starring Blackstone, the
greatest magician in the world, with
his company of 15, and other star
acts.

With his troupe of talented assist-
ants, Blackstone offers the most pre-
tentious magic show ever to be pre-
sented anywhere. Girls predomi-
nate in the Blackstone show, during
which ghostly seances, spirit writing
and experiments in the occult occur.
Audience participation in the seances
and experiments play a major part
of the course of the show.

Now in his 30th year on tour as
the world's leading magical enter-
tainer, Blackstones' show boasts of
astounding illusions and mysteries.
Blackstone claims that he carries no
mirrors with him nor does he re-
quire any trapezoids to be cut in the
stages on which he performs.

Moro and Yaconella, the "Mexican
Hillbilly" comedians of song, make
big with horseplay as they deliver
their songs. The Clark Sisters, Ann,
Peggy, Jean and Mary, will offer
their delightful harmonies, both
sweet and hot. The Clarks have been

**BARN DANCE AND FORMAL
DANCE PLANNED**

Personnel of the Special Service
department and the post orchestra
were guests at a picnic held by the
Women in Navigation club last Fri-
day evening. The outing was held at
a recreational area near the field.

A dance at the Service club round-
ed out the evening's entertainment.

The WINS stage a dance every
Friday night at the club for enlisted
men.

A barn dance will be held on Fri-
day night, June 25, with gingham
and calico frocks as the required
dress of all feminine guests.

A formal dance will be staged Fri-
day night, July 2, in celebration of
the first anniversary of Hondo Army

D'HANIS, TEXAS, WEDNESDAY, JUNE 16, 1943

Rev. John J. Hansack left for San Antonio Monday and is attending the guests' retreat in St. John's Seminary.

Mr. Paul Poerner underwent an appendectomy in Medina Hospital at Hondo last Thursday.

Mrs. Harold Nester returned home Thursday from the Medina Hospital at Hondo with her new daughter, baby Nancy Catherine Nester.

Sheriff and Mrs. Charles Schuehl of Hondo visited Mrs. Joe Rieber and children here Tuesday.

Miss Madeline Boog of San Antonio is visiting her father, Mr. A. J. Boog, and is a guest in the O. W. Tondre home.

Mrs. Otto Heinsch and her father, Mr. August Albrecht of San Antonio, visited friends here Monday.

Sgt. Sammie Zerr of Columbus, Miss., is spending a 15-day furlough in the home of his parents, Mr. and Mrs. Ben Zerr.

Mrs. Ben Hodges and children and Mr. Charles N. Rieber of San Diego, Calif., left for their homes Tuesday after several days here with their mother. They had been summoned after the death of their father, the late Joe Rieber, and were here for the funeral. Mrs. Russell Highway of Kingman, Ariz., remained for a longer visit.

The following representatives of various Holy Cross Parish organizations attended a district meeting of the Catholic State League in San Antonio Sunday afternoon: Mr. and Mrs. J. B. Nester and son, Johnny; Mrs. Louis Carle Jr., Mr. Cletus Batt, and Mr. John Rieber.

Mr. and Mrs. Fred Carle of San Antonio and son, Sgt. Clemens Carle, of Dodge City, Kan., visited Mr. and Mrs. F. J. Carle Sunday.

Little Jimmy Finger, son of Mr. and Mrs. James C. Finger, underwent an emergency operation for appendicitis at Medina Hospital Sunday evening. He is recovering satisfactorily at this time.

The first issue of "The Voice," a new mimeographed parish publication, was distributed free Sunday by members of the local unit of the Catholic Youth Organization. The four-page booklet includes an editorial, Father Hansack's announcements, a page of news items, and a clever gossip column by the "Snooper," as well as appropriate illustrations. The C. Y. O. is to be congratulated on its success in putting out this interesting pamphlet, which should afford its staff some profitable experience.

Texas farmers are planning another year of large feed and food crop acreages. In the face of a reduced farm labor supply and a shortage of machines and equipment, an increase of about 6 percent over the acreage planted in 1942 is indicated by reports from farmers regarding their acreage plans for the 1943 season. The reports were made to the U. S. Department of Agriculture as of March 1, and plans, of course, may be changed before planting by weather conditions, by revised goals for some crops, and other factors, including the effect of this report on farmers' actions. As usual, intended acreages of cotton were not obtained at this time. Prospective plantings indicate increases over last year of 2 percent in corn to 5,751,000 acres, 4 percent in barley to 571,000 acres, 90 percent in flax to 28,000 acres, 4 percent in rice to 408,000 acres, 15 percent in peanuts to 1,304,000 acres, 21 percent in Irish potatoes to 70,000 acres, 56 percent in sweetpotatoes to 72,000 acres, and 18 percent in tame hay to 1,715,000 acres. The intended all sorghum acreage is 11 percent above the 1942 acreage, or 7,249,000 acres. This large increase is due entirely to the large prospective increase in grain sorghum, which was brought about by the 5,963,000 acreage goal set by the War Board. The acreage of grain sorghum planted in 1942 was 4,828,000 acres.

According to United States Department of Agriculture estimates Texas turkey growers plan to raise about 3,798,000 turkeys this year, or about 2 per cent more than the 3,724,000 raised in 1942. This increase is planned even though the number of turkey hens on farms January 1, 1943, was 609,000 birds or 2 percent less than the 621,000 turkey hens on hand a year earlier. Because of favorable prices last fall, turkeys were sold very close and the number of turkeys on farms "other than breeding hens" was only 135,000 birds January 1, 1943, compared with 254,000 birds a year earlier. If turkey egg production in 1943 is near the 13 million eggs produced last year, Texas growers may continue to ship a large volume of turkey eggs and still raise the number indicated.

February consumption of electric power by all classes of users in Texas—commercial, industrial and residential—continued to be higher than during the same month last year, though showing a small decline from January. Commercial users showed the largest increase in consumption—February consumption was 19 percent greater than that for February of last year—while industrial consumption stepped up 15.8 percent. Total gain by all users over February, 1942, was 17.1 percent. Total change from January to February of this year was a 1.2 per cent decrease.

MR. JOE RIEBER BURIED THURSDAY

The funeral of the late Joe Rieber, who died at his home in D'Hanis on Sunday afternoon, June 6, 1943, took place Thursday morning, June 10, from the Horger funeral home at Hondo. At 10 o'clock the body was brought to Holy Cross Church where Rev. John J. Hansack read the funeral Mass and delivered the sermon. He also officiated at the cemetery, where a large gathering of relatives and friends attended the burial services. The floral offerings were numerous and beautiful.

Joseph Edward Rieber was born at Castroville on August 25, 1877. He was, therefore, 65 years old at the time of his death, which occurred after several months of illness resulting from a heart ailment. He came to D'Hanis during early childhood with his parents, and spent the remainder of his life here. During early manhood he was married to Miss Daisy Ney of D'Hanis, and for many years was a member of the firm of Rieber Brothers Meat Market. He was devoted to his wife and children, one of whom preceded him in death. He was a member of the Order of Hermann Sons.

Survivors are the widow, Mrs. Daisy Rieber; four daughters: Mrs. Bessie Zinsmeyer, and Miss Geneva Rieber of D'Hanis, Mrs. Melba Hodges of San Diego, Calif., and Mrs. Mamie Del Attaway of Kingman, Ariz.; three sons, Charles N. Rieber of San Diego, Calif., Joe J. Rieber of D'Hanis, and Thomas Rieber, who is serving in the armed forces in Australia; three brothers, Louis Rieber of Utopia, George Rieber of Sabinal, and John Rieber of D'Hanis; and eight grandchildren.

Pall bearers were nephews of the deceased, as follows: Edgar Rieber, Clinton Rieber, Alfred Rohrbach, Thomas Koch, Louis Lutz, and Walter Burrell.

CARD OF THANKS

We wish to thank our neighbors, relatives, and friends for the many kind expressions of sympathy, floral offerings, and Mass stipends received during the illness and death of our beloved husband, father, and brother, Joseph E. Rieber. We thank especially our pastor, Rev. J. J. Hansack, for his kindness at this time.

MISS WIEMERS IS SHOWER HONOREE

A miscellaneous shower was given in honor of Miss Nelda Wiemers, a bride of the month, at the home of Mrs. Edwin J. Wiemers, Wednesday, June 9th, from 3 to 5 P. M.

The rooms were decorated with beautiful red roses and zinnias. The honoree, attractively covered in brown and white sheer, entered the room and took her place of honor. After Miss Wiemers was seated, a toast was given to her by Mrs. Clarence Muennink.

Then Miss Marjorie Hastings, sister of the bridegroom, presented the honoree with the gifts which were opened and passed to guests for inspection and admiration. The bride-to-be in her own sweet way thanked her friends for the pretty and useful gifts.

The honoree's mother, Mrs. E. D. Wiemers, wore printed jersey and Mrs. V. F. Hastings, mother of the bridegroom, wore white linen. The hostesses wore street-length dresses and each wore corsages of peach gladioli.

Delicious refreshments consisting of chicken salad, saltines, smacks, pickles and olives, cookies and iced tea, and white mints as plate favors, were served by the hostesses, Misses Lillie and Nellie Muennink, Mrs. Edwin J. Wiemers and Mrs. Clarence Muennink.

Out of town guests were Mrs. V. F. Hastings, mother of the bridegroom, Miss Marjorie Hastings, his sister, Miss Phyllis Brisco and Mr. Chris Dollnig of San Antonio. Miss Minnie Wiemers was in charge of the beautiful bride's book, a gift of Arlene Wiemers, sister of the bride-elect.

Now that the war may not be concluded before 1944 or, as some think, even 1945, and as the services of a war President are usually regarded as of great value in bringing about peace settlements, DISCUSSION IS NOW BEGINNING THAT OUR CONSTITUTION SHOULD BE AMENDED TO ALLOW THE AMERICAN PEOPLE TO POSTPONE AN ELECTION UNTIL AFTER THE NATIONAL EMERGENCY. SPEEDING Victory

Thousands of women are now needed to replace the men being called to the front.

The most direct way women can aid their country now is to join the Women's Army Auxiliary Corps, and take over non-combatant assignments that release fit soldiers for fighting.

A woman in the WAAC means another soldier in combat duty. Another man at the front means some other man can stay at his plow or at his lathe producing food and weapons for Victory.

By taking your place with the other WAACS you'll be doing your utmost to speed victory and a free world.
